

Trusted provider of broadcast and information solutions

Novanet Communications

Novanet Communications Limited is the trusted provider of broadcast, wireless, satellite systems and solutions.

For over 20 years, our experienced and skilled team has been designing communication technologies for diverse industries that distribute or broadcast information and content.

Our reputation for excellence has been earned through Novanet's commitment to exceed the needs of client requirements. Our people have pioneered numerous technologies in Canada and have a wealth of experience in building turnkey solutions as an integrator and valued partner to many best of breed manufacturers. Novanet's RF engineers, technicians and data specialists are the backbone of our innovative service capabilities.
